

## SNAP CAP SPEC SHEET

FYRELANE USA

**Snap Cap information**

A Snap Cap dust cover is constructed of high strength, light-weight, composite ABS plastic capable of withstanding temperature extremes, abuse and ultra-violet sun rays. The covers are a high visibility orange color and also a brown color for military specification. The covers are designed to protect the storz grooves from dust, debris, snow and ice. **Note: COVERS ARE NOT PRESSURE CAPS.**

**THE PART NUMBERS LISTED ARE NATIONAL STANDARD THREADS ONLY**
